Description

EW-Bistro Apron – Disposable Protective Apron for Kitchen and Counter Use

The EW-Bistro Apron is a disposable apron for use in kitchens, production areas and at counters. It protects clothing from soiling and helps maintain hygiene standards in food-related environments. The packaging unit of 100 pieces makes it an economical choice for daily use in food processing and catering operations.

Product Features

- Disposable product for single hygienic use
- Protects workwear from soiling caused by food, liquids and other contaminants
- Suitable for areas with elevated hygiene requirements such as kitchens, counters and food production
- Cost-effective solution for frequently changing applications or visitor and short-term use

- Bulk pack with 100 pieces per carton for efficient stock management
