Description

Magnetic Clip Holder for Mop – space-saving wall mounting system for cleaning equipment

The magnetic clip holder for mops enables wall-mounted, space-saving storage of mops and similar cleaning equipment. The magnetic clip mechanism allows the handle to be inserted and securely fixed with ease, without the need for complex fastening steps. The system is suited for professional use in hygiene-sensitive areas where organised, off-floor storage of cleaning utensils is required.

Product features

- Magnetic clip mechanism for quick, tool-free loading and removal
- Wall mounting keeps cleaning equipment off the floor and reduces contamination risks
- Organised storage supports compliance with hygiene standards
- Compact design saves floor space in the work area
- Suitable for use in commercial kitchens, food processing facilities and other hygiene-sensitive areas
