Description

Swibo Butcher Knife 16 cm – Straight Blade for Professional Meat Processing

The Swibo butcher knife with 16 cm straight blade is a professional tool from the Swibo collection by Victorinox, designed for daily use in slaughterhouses and commercial meat processing. The orange handle colour supports colour-coded identification of work areas or product groups within the facility. The knife is supplied in a self-service sleeve and is available in a packaging unit of 6 pieces.

Product Features

- Straight blade for clean, precise cutting during slaughtering and butchering
- Orange handle colour enables colour-coded area or product identification in hygiene-sensitive environments
- Suitable for continuous use in commercial meat and food processing
- Supplied in self-service sleeve – ready to use and safely packaged

- From the established Swibo collection by Victorinox
