Description

Set of 3 for Small Knife Basket – Replacement Flat Dividers for Safe Knife Transport

This set of 3 contains flat dividers in a small size and is designed as an accessory for the small knife basket. The flat dividers are used for the secure fixation and separation of knives within the basket and are available as a replacement or supplementary set. The set is suitable for professional use in food processing and wherever knives need to be transported or stored in an organised and protected manner.

Product Features

- Precisely fitting for the small knife basket
- Secures and separates blades within the basket, protecting against damage and injury risks
- Available as a set of 3 for replacement needs or expansion

- Suitable for professional use in food processing
