Description

Swibo Sticking Knife 16 cm – Straight Blade for Professional Slaughterhouse Use

The Swibo sticking knife with 16 cm straight blade is a professional working knife from the Swibo collection by Victorinox, designed for use in slaughterhouses and the meat processing industry. It is supplied in a self-service sleeve and is available in packs of 6 units. The orange handle enables colour coding within the operation and increases visibility of the knife in daily use.

Product Features

- Designed for slaughterhouse and meat processing operations
- Straight blade for precise cutting when breaking down and processing meat
- Coloured handle for operational colour coding and reliable identification
- Supplied in self-service sleeve – ready to store and use
- Pack quantities available for high-volume commercial use
