Description

VIKAN Angle Scrubber 7047 – Cleaning Brush for Hard-to-Reach Areas

The VIKAN Angle Scrubber 7047 is a professional cleaning brush for use in hygienic environments. The angled design allows effective cleaning of hard-to-reach spots such as corners, edges and transitions. With a length of 265 mm, the tool is compact and easy to handle.

Product Features

- Angled brush geometry for cleaning corners, edges and angles
- Medium bristle stiffness for a wide range of applications without damaging sensitive surfaces
- Compact design for use in confined spaces and narrow areas
- Suitable for professional hygiene applications in food processing and comparable operations
- Robust construction for continuous daily use

Technical Data / Specifications

- Manufacturer: VIKAN
- Model: 7047
- Length: 265 mm
- Bristle stiffness: medium
