Description

Bin Liners Type 60 – Reliable Waste Disposal Solution for Commercial Use

Bin Liners Type 60 are robust single-use bags for organised waste disposal in commercial, industrial and service operations. They are supplied in a practical 10x25 format, which allows space-saving storage and quick replenishment during ongoing operations. Type 60 is suitable for medium-weight waste volumes and is designed to meet the demands of everyday commercial use.

Product Features

- Suitable for commercial waste disposal in production, trade and service environments
- Adequate tear resistance for medium-weight waste
- Single-use product for hygienic and straightforward disposal
- Roll packaging for quick access and convenient dispensing

Technical Data / Specifications

- Type: 60
- Packaging unit: 10 rolls of 25 pieces each
