Description

Swibo Sticking Knife 25 cm – Straight Blade for Professional Meat and Food Processing

The Swibo sticking knife with a 25 cm straight blade is a professional tool from the Swibo collection by Victorinox, designed for daily use in commercial meat and food processing. The straight blade geometry enables precise, powerful sticking and cutting. The knife is supplied individually in a retail sleeve and features an orange handle, supporting use in colour-coded hygiene concepts.

Product Features

- Designed for professional applications in meat and food processing
- Straight blade for precise sticking and portioning
- Coloured handle enables use in colour-coded hygiene concepts for area separation
- Individually packaged in a retail sleeve – hygienic storage and safe transport

- Part of the Swibo collection – specifically tailored to the requirements of the food industry
