Description

Peaked Cap / Baseball Cap Best4Food – Headwear for Food Production and Kitchen Use

The Best4Food peaked cap is a classic baseball cap designed for use in food processing facilities, kitchens, and at service counters. It serves as a basic headwear solution to protect food from hair contamination and supports compliance with hygiene requirements in production and service areas.

Product features

- Suitable for use in food processing, kitchen environments, and at service counters
- Peak shields food from direct contact and supports hygienic working practices
- Classic baseball cap design for easy fitting and secure hold
- Suitable for production areas where headwear requirements apply
