Description

FINGERFIX Glove Stretchers – Dry and Store Gloves in Shape

FINGERFIX glove stretchers keep protective gloves or work gloves in shape after washing and enable even drying without distortion or clumping of the fingers. They are suitable for use in businesses where gloves are regularly cleaned and reused – such as in food processing, production, or counter service. The package contains 25 pieces.

Product Features

- Keeps gloves in their original shape during drying
- Prevents the fingers of the glove from sticking together or deforming
- Supports hygienic storage and extended reusability of gloves
- Suitable for commercial use in food processing, production, and kitchen operations
- Bulk pack for ongoing operational needs
