

Sheath for 1 knife

Content: 1

Product data

EAN:	4024689271007
Weight (per kg):	0.07

Description

Knife Sheath – safe storage and transport of blades in daily professional use

The knife sheath protects blades from damage and prevents unintended contact during transport and storage. It is equipped with a strap for attachment and is suitable for daily use in food processing and the butchery trade. The sheath is supplied as a single unit.

Product features

- Protects the blade from damage and helps retain sharpness for longer
- Prevents unintended contact with the cutting edge during transport and storage
- Strap for attachment, e.g. to a belt or work clothing
- Suitable for daily use in food processing, the butchery trade and large-scale kitchens

Technical data / specifications

- Internal dimensions: 23 x 4 cm

- Packaging unit: piece
- Weight: 0.07 kg
