Description

Swibo Butcher Knife 26 cm – Straight Blade for Professional Meat Processing

The Swibo butcher knife with a 26 cm straight blade is a professional tool from the Swibo collection by Victorinox, designed for daily use in slaughterhouses and commercial meat processing. The orange handle enables clear colour coding in the workplace. The knife is supplied with an SB sheath and is available in a practical pack of 6.

Product Features

- Straight blade for precise, linear cutting during slaughtering and butchering
- Optimised for professional continuous use in meat and food processing
- Orange handle for colour-coded area designation in accordance with HACCP concepts
- Includes SB sheath for safe transport and hygienic storage
- Part of the established Swibo collection by Victorinox
