Description

DICK ErgoGrip Cimeter Knife – robust professional knife for demanding cutting tasks

The DICK ErgoGrip Cimeter Knife with a 21 cm blade length is a professional kitchen knife for commercial use in butchery, food service, and food processing. Its stable blade geometry makes it suitable for heavy cutting work on large portions of meat and food products. The knife is part of the ErgoGrip series by F. DICK, designed for ergonomic handling during continuous use.

Product Features

- Designed for heavy cutting tasks and continuous commercial use
- Ergonomically shaped handle from the ErgoGrip series for fatigue-reducing operation
- Long blade enables efficient work on larger cuts
- Suitable for butchery, food service, and industrial food processing
