Description

Swibo Butcher Knife 21 cm – Straight Blade for Professional Meat Processing

The Swibo butcher knife with a 21 cm straight blade is a professional tool from the Swibo collection by Victorinox, designed for daily use in slaughterhouses and commercial meat processing. The straight blade shape enables precise, clean work when breaking down and boning. The knife is supplied with an SB sheath and is available in a packaging unit of 6 pieces – suitable for equipping entire teams.

Product Features

- Straight blade shape for clean, linear cuts during slaughtering and breaking down
- Orange handle colour enables colour-coded identification and area assignment within the operation
- Includes SB sheath for safe handling and organised storage

- Part of the proven Swibo collection by Victorinox – designed for professional requirements in food processing
- Packaging unit of 6 pieces for efficient team equipment
