## Description

### Swibo Sticking Knife 18 cm – Straight Blade for Professional Slaughtering

The Swibo sticking knife with an 18 cm straight blade is a working knife from the Swibo collection by Victorinox, designed for daily use in slaughterhouses and the meat processing industry. It is supplied including an SB sheath and is available in a packaging unit of 6 pieces – suitable for equipping entire teams.

## Product Features

- Straight blade shape for precise cuts during slaughtering and butchering
- Orange handle colour enables colour-coded assignment within the HACCP colour system to prevent cross-contamination
- Included SB sheath protects the blade during transport and storage and increases workplace safety

- Part of the proven Swibo collection – designed for demanding continuous use in food processing
