Description

Victorinox Dual Grip Sticking Knife 20 cm – Narrow Blade with Granton Edge for Professional Meat Processing

The Victorinox Dual Grip Sticking Knife 5.7223.20D is a professional knife for use in meat and food processing. With a straight, narrow blade of 20 cm length and a Granton edge, it is designed for precise cutting work in demanding butchering tasks. The two-tone handle of the Dual Grip collection supports secure handling even under wet or greasy working conditions.

Product Features

- Narrow blade geometry enables precise work when boning and slaughtering
- Granton edge reduces food from sticking to the blade
- Straight blade for guided, controlled cuts along bones and joints
- Two-tone Dual Grip handle for secure grip under food processing working conditions

- Packaging unit of 10 pieces suitable for commercial purchasing
