Description

HYGENIA Wolf Brush (Size H) – Cleaning Brush for Hygiene-Critical Applications

The HYGENIA Wolf Brush in size H is a cleaning brush for commercial hygiene applications. It is designed for professional use, such as in food processing, production facilities, or other areas with elevated hygiene requirements. The term *wolf brush* refers to a brush with a particularly robust, dense fill that delivers reliable results even in demanding cleaning tasks.

Product Features

- Robust, dense bristle fill for thorough cleaning even of stubborn soiling
- Suitable for commercial use in hygiene-critical environments
- As part of the HYGENIA product line, designed for use under professional hygiene requirements
- Compact design for direct use on machines, surfaces, or cleaning stations
