Description

Disposable Hand Towels in Z-Fold – economical hand drying for commercial use

The disposable hand towels in Z-fold are single-ply folded towels made from 100% recycled paper in natural colour. They are designed for use in dispensers with a Z-fold mechanism and are suitable for hygienic single use in commercial and industrial washroom areas. Supplied in a bulk pack of 5000 sheets.

Product Features

- Single use for hygienic hand drying
- Z-fold for use in compatible wall-mounted dispensers
- Made from 100% recycled paper – resource-efficient choice
- Bulk pack of 5000 sheets for economical continuous use
