Description

Party and Fruit Forks Made from Bamboo – Disposable Cutlery for Foodservice and Food Processing

These party and fruit forks made from bamboo are designed as disposable cutlery for use in foodservice, catering, production, and at kitchen or counter stations. With an overall length of 90 mm, they are suitable for serving and picking up small snacks, fruits, and finger food. The packaging unit contains 1,000 pieces, enabling efficient stocking and dispensing in commercial operations.

Product Features

- Suitable for finger food, fruits, snacks, and buffet applications
- Natural, renewable raw material – alternative to single-use plastic cutlery
- Compact length for convenient use in catering and counter service
- Bulk pack for ongoing commercial demand in foodservice and food processing

- Disposable product for single hygienic use
