Product data

Manufacturer: Friedrich Münch GmbH & Co. KG

Description

Replacement Band for Niroflex EASYFIT Arm Guard – Original Spare Part for Extended Use

This spare part comprises the band (arm) for the Niroflex EASYFIT cut-resistant glove or arm guard. It enables targeted replacement of the carrier band without having to replace the entire guard. The product is aimed at businesses in food processing, kitchen and counter environments, and production who wish to maintain their Niroflex EASYFIT arm guard.

Product Features

- Original spare part for the Niroflex EASYFIT arm guard
- Enables targeted repair instead of complete replacement of the arm guard
- Extends the service life of the overall product and reduces follow-on costs
- Suitable for use in food processing, kitchen and counter environments, and production
- Compatible with the Niroflex EASYFIT system
