Description

HYGENIA Washing-Up Brush small – Cleaning Brush with Brass Wire for Commercial Use

The HYGENIA Washing-Up Brush in the small version is a robust cleaning brush for commercial use in kitchens, facilities and hygiene-critical areas. The plastic body is fitted with brass wire bristles that enable thorough cleaning of even stubborn soiling. The compact size is particularly suitable for hard-to-reach areas and smaller cleaning tasks.

Product Features

- Brass wire bristles for effective cleaning of stubborn residues
- Compact design for use in hard-to-reach areas
- Suitable for daily cleaning use in commercial operations
- Stable construction for long-term use
