Product data

Description

VIKAN Lid for 12-Litre Bucket – secure closure for hygienic cleaning systems

The VIKAN lid is designed to fit the VIKAN bucket 5687 with a 12-litre capacity, completing it as a closed system. It protects the bucket contents from contamination and prevents accidental spillage of cleaning or disinfecting agents. The accessory is compatible with the modular VIKAN hygiene concept and is suitable for use in hygiene-critical work areas.

Product Features

- Precise-fit closure for the VIKAN bucket 5687 (12 L)
- Protects bucket contents from dirt and contamination
- Prevents accidental leakage or spillage
- Part of the modular VIKAN hygiene system for professional cleaning applications
- Suitable for hygiene-critical areas in food processing and industry

Technical Data / Specifications

- Compatible with: VIKAN bucket 5687, 12 L
