Description

Swibo Butcher Knife 24 cm – Straight Blade for Professional Meat Processing

The Swibo butcher knife with a 24 cm straight blade is a professional tool from the Victorinox Swibo collection, designed for use in slaughterhouses, butcheries and industrial food processing. The SB sheath ensures safe storage and facilitates hygienic handling. The distinctive orange handle enables quick colour identification according to HACCP colour-coding systems and increases workplace safety.

Product Features

- Straight blade for precise, clean cutting during meat breakdown
- Orange handle colour for HACCP-compliant colour coding and work area assignment
- Includes SB sheath for safe storage and hygienic handling
- Part of the established Swibo collection by Victorinox – developed specifically for professional slaughterhouse and butchery applications
