Description

HYGENIA Block Brush – robust cleaning brush for hygiene applications

The HYGENIA Block Brush with dimensions 185 x 75 mm is a compact, handy cleaning brush for commercial use in hygiene-critical areas. The bristles are galvanised and therefore designed for use under demanding cleaning conditions. The product is supplied as an individual unit and is available in carton units of 10 pieces each.

Product features

- Galvanised bristles for increased resistance and durability
- Compact block shape for targeted cleaning even on restricted surfaces
- Suitable for commercial use in hygiene environments
- Handy size for fatigue-reducing work
