Description

Wrist Strap for Euroflex Chain Mail Gloves – Spare Part for Ongoing Operations

The wrist strap is a spare part for chain mail gloves of the Euroflex brand and enables targeted repair of damaged or worn gloves without full replacement. The use of original spare parts ensures the fit and functional reliability of the protective glove. The spare part is suitable for use in food processing, kitchen and counter environments, as well as in production.

Product Features

- Original spare part for Euroflex chain mail gloves
- Enables cost-effective repair instead of full glove replacement
- Maintains the protective function and fit of the chain mail glove
- Suitable for use in food processing and production

- Easy to stock as a spare part for ongoing operations
